Forrest M. Bird Charter Middle School
Pathways to Grade Promotion

The Main Pathway

Pass at least 80% of all classes credits for the entire year.

Be in compliance with FBCS Attendance Policy

To promoted to high school, 8th grade students are to also complete a Career Exploration Class and pass the math class they are currently enrolled.

Then

WE WANT YOU TO BE SUCCESSFUL

- Develop a habit of working hard and using time wisely.
- Continually think and ask questions that will help you understand assignments.
- Communicate with parents and teachers about academic progress and anything with which you are struggling.
- Attend Friday tutoring times with teachers when you need help.
- Revise work to meet mastery of skills.
- Attend class prepared to learn and with energized minds.
- Maintain a cooperative and solution-based mindset.
- Be in regular attendance during the school year and be on time to school each day. (Refer to the Attendance Policy for more information).
- Students in danger of not meeting the promotion requirements will meet with the Academic Intervention team to discuss required steps to reach academic success. Family and students are expected to be active participants in these meetings.

The Alternate Pathway

Must meet at least two of the three following requirements

Must show significant growth from spring to spring ISAT tests or grade level proficiency on spring ISAT test

Student and Family Meet with the Executive Director or Principal.

Must complete IDLA summer school with a grade of "C"(parent responsible for tuition)

Then

Promoted to the next grade
