

Legal Status and Operation

The Board of Directors of the Forrest M. Bird Charter Schools is the governing authority of the Forrest M. Bird Charter Schools, designated, elected, or appointed to plan and direct all aspects of the Charter School’s operations independently from the existing traditional school district structure and consistent with the Charter School’s Articles of Incorporation, Bylaws, Charter, and Performance Certificate.

The Charter School, in its capacity as a nonprofit corporation, may sue and be sued and may acquire, hold, and convey real and personal property necessary to its establishment, extension, and existence. The Board of Directors, operating as a nonprofit corporation, may borrow money to finance the purchase or lease of building facilities, equipment, and furnishings and to use the facility, its equipment and furnishings as collateral for a loan.

The Articles of Incorporation (“Articles”) and Bylaws define the organization of the Board and the manner of conducting its official business. The Board’s operating policies are those that the Board adopts from time to time to facilitate the performance of its responsibilities.

The Forrest M. Bird Charter Schools, as a non-profit organization, shall have no “members.” Any action which would otherwise require approval of members shall require only approval of the Board. All rights, which would otherwise vest in members under the Idaho Nonprofit Corporation Act, shall vest in the Board.

The number and qualifications of the Directors are determined by the Charter School’s Articles or Bylaws but in no event shall the number of Directors be less than three individuals. All Directors must be individuals. The Board’s powers and duties include the broad authority to adopt and enforce all necessary policies for the management and government of the Charter School.

All Directors, except the initial Directors, shall be elected, appointed, or designated as set forth in the Articles or Bylaws. The Articles or Bylaws specify the terms of Directors. Except for designated or appointed Directors, the terms of Directors may not exceed five years.

All Directors shall participate on an equal basis with other Directors in all business transactions except as set forth in or authorized by the Articles or Bylaws. Official action by Board Directors must occur at a duly called and legally conducted meeting. THE BOARD OF DIRECTORS

Election, Designation, and Appointment

The initial Directors are designated in the Articles or Bylaws or elected by the Incorporators. After the initial term, Directors shall be elected, appointed, or designated as provided in the Articles and Bylaws.

The Articles or Bylaws set forth the terms of Directors. Except for designated or appointed Directors, the terms of Directors may not exceed five years. A decrease in the number of Directors or term of office does not shorten an incumbent Director's term.

Except as provided in the Articles or Bylaws, the term of a Director filling a vacancy expires at the end of the unexpired term that such Director is filling.

Despite the expiration of a Director's term, the Director continues to serve until the Director's successor is elected, designated, or appointed, and qualifies, or until there is a decrease in the number of Directors.

The Articles or Bylaws may provide for staggering the terms of Directors by dividing the total number of Directors into groups. The terms of office of the groups need not be uniform.

Staff Communications to the Board

All official communications or reports to the Board from principals, supervisors, teachers, or other staff members shall be submitted through the Executive Director. This shall not deny any staff member's right to appeal to the Board administrative decisions, provided that the Executive Director shall have been notified of the forthcoming appeal and that it is processed according to the applicable procedures for complaints and grievances.

Board Communications to Staff

All official communications, policies, and directives of staff interest and concern will be communicated to staff members through the Executive Director. The Executive Director will employ all such media as are appropriate to keep staff fully informed of the Board's concerns and actions.

Visits to Schools

Directors should make a point to visit each site of the Charter School not less than once each school year to examine its condition and needs. Individual Board Members interested in visiting school sites should, out of courtesy, make arrangements for visitations through the principal of the school. Such visits shall be regarded as informal expressions of interest in school affairs and not as "inspections" or visits for supervisory or administrative purposes.

Social Interaction

Staff and Board Members share a keen interest in the schools and education. When they meet at social affairs and other functions, informal discussion on such matters as educational trends, issues and innovations, and general Charter School problems can be anticipated.

School Board Use of Email and Social Media

Use of email by Members of the Board will conform to the same standards of judgment, propriety, and ethics as other forms of School Board-related communication. Board Members will comply with the following guidelines when using email in the conduct of Board responsibilities:

1. The Board will not use email, communications via social media, or other electronic communications as a substitute for deliberations or voting at Board meetings or for other communications or business properly confined to Board meetings.
2. Board Members will be aware that email and email attachments received or prepared for use in Board business or containing information relating to Board business, regardless of whether sent or received on a school-owned computer or personally-owned computer, may be regarded as public records, which may be inspected by any person upon request, unless otherwise made confidential by law.
3. Board Members will note that individual postings made to social media sites should be considered carefully in light of how they would reflect on the poster, the Board of Directors, and the Charter School. Opinions expressed by staff on a social networking website have the potential to be disseminated far beyond the speaker's desire or intention, and could undermine the public perception of fitness of the individual to serve students' interests. Individual Board member postings are an act of the individual and are not an act of the Board.
4. Board members will avoid reference to confidential information about employees, students, or other matters in email communications because of the risk of improper disclosure and unsecure websites. Board members will comply with the same standards as school employees with regard to confidential information.

Definitions

"Deliberation" is defined as the receipt or exchange of information or opinion relating to a decision, but shall not include informal or impromptu discussions of a general nature which do not specifically relate to a matter then pending before the public agency for decision.

THE BOARD OF DIRECTORS

Board/Executive Director Relationship

The Board/Executive Director relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and Executive Director.

The Board hires, evaluates, and seeks the recommendations of the Executive Director as the Charter School's chief executive officer. The Board adopts policies necessary to provide the general direction for the District and to encourage achievement of District goals. The Executive Director develops plans, programs, and procedures needed to implement the policies and directs the District's day-to-day operations.

The Executive Director shall be employed for a term not to exceed any limit set forth in the Articles and Bylaws and shall be the executive officer of the Board with such powers and duties as the Board prescribes. The Executive Director shall act as the authorized representative of the Charter School whenever such is required.

The Board shall conduct an annual, written formal evaluation of the work of the Executive Director.

Director Expenses

A Charter School Director is a noncompensated public official as that term is defined in the Idaho Code. However, consistent with the Articles and Bylaws, Directors may be reimbursed for actual and necessary expenses. A Director shall not receive remuneration for service as a Director. However, each Director shall be compensated for actual expenses incurred for travel to, from, and attending meetings of the Board as provided herein. Reimbursement may be paid as the travel is assumed or may accumulate until the end of the fiscal year, at the discretion of the Director.

Board Meetings

Whenever any Director resides at such distance from the meeting place of the Board as to require such Member to incur extraordinary expense in traveling from his or her home to and from the meeting place, the Board may approve payment to a Director of the extraordinary expense incurred in attending any such meeting. The Board has determined that those Directors who will travel in excess of _____ miles from the place where School Board meetings are generally held shall be entitled to an allowance for mileage or actual travel expense incurred, whichever is less.

Expenses for Board Members at Meetings Requiring Travel

Directors normally attend workshops, training institutes, and conferences at both the State and national level. It is appropriate that Director expenditures at these meetings requiring substantial travel be paid by the Charter School from the general fund. It is the intent of the Charter School to pay all legitimate costs for Directors to attend meetings requiring substantial travel, at the established rates for reimbursement set by the Charter School, including the following:

1. Transportation as approved by the Board;
2. On-site transportation during the course of the meeting, such as bus, taxi, or rental car;
3. Hotel or motel costs for the Director, as necessary;
4. Food costs as necessary;
5. Telephone services shall be provided for necessary communications with business or family, resulting from the Director being away from the location of the Charter School; and
6. Incidental expenditures for tips and other necessary costs attributable to the Director's attendance at the meeting.

The District will not reimburse or pay for such items as liquor, expenses of a spouse, separate entertainment, or other unnecessary expenditures.

Depending upon circumstances and dollar values at issue, the Charter School may be required to report reimbursements consistent with IRS regulations. Tax consequences may be applicable. However, if such a circumstance does occur, Board members would need to talk with their individual tax preparers regarding tax implications and possible deductions for expenses.

Members of the Board, collectively and individually, are encouraged to attend school activities, social functions, and instructional programs at no cost to the Directors in order to view and observe such functions in operation. THE BOARD OF DIRECTORS

Board Meetings

Meeting Defined

A meeting is defined as the convening of the Board of Directors to make a decision or to deliberate toward a decision on any matter. Directors may participate in School Board meetings via electronic means, including telephonic or video conferencing devices, provided at least one Member of the Board of Directors or Executive Director is physically present at the meeting location.

Regular Meetings

Unless otherwise specified in the Articles or Bylaws, all meetings will be held in the _____ (insert location). Regular meetings shall be held at _____ PM on the _____ day of each month.

Emergency Meetings

In the event of an emergency involving possible personal injury or property damage, immediate financial loss, or the likelihood of injury, damage, or loss, the Board may meet immediately and take official action without prior notification when the notice requirements would make such notice impracticable or increase the likelihood or severity of such injury, damage, or loss; and the reason for the emergency is stated at the outset of the meeting.

Budget Meetings

No later than 28 days prior to its annual meeting, the Board shall have prepared a budget, in the form prescribed by the State Superintendent of Public Instruction, and shall hold a public hearing. At such public hearing or at a special meeting held no later than 14 days after the public hearing, the Board shall adopt a budget for the ensuing year. Notice of the budget hearing shall be posted and published as prescribed in I.C. § 33-402. From the time noticed, a copy of the budget shall be available for public inspection during regular business hours.

Special Meetings

Unless the Articles or Bylaws provide otherwise, the Board Chair, the Executive Director, or 20% percent of the Directors may call and give notice of a special meeting. If the time and place of special meetings has not been determined at a meeting of the Board with all Members present, then written notice of a special meeting, stating the purpose of the meeting, shall be delivered to each Director not less than 24 hours prior to the time of the meeting. Such written notice shall be

posted conspicuously at the Charter School Office. Business transacted at a special meeting will be limited to that stated in the notice of the meeting.

Pursuant to Idaho Code, upon a 2/3 roll call vote recorded in the minutes of the meeting, the Board may hold an executive session after the Board Chair has expressly identified the specific legal authorization for holding an executive session and provided sufficient detail to identify the general purpose and topic of the executive session. However, the information provided shall not compromise the purpose of going into an executive session.

An executive session may be held for, and only for, the following purposes:

1. To consider hiring a public officer, employee, staff member, or individual agent wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. Please note this does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general.
2. To consider the evaluation, dismissal, or disciplining of; or to hear complaint or charges brought against a public officer, employee, staff member or individual agent, or a student.
3. To acquire an interest in real property which is not owned by a public agency.
4. To consider records exempt from public disclosure.
5. To consider preliminary negotiations involving matters of trade or commerce in which the Board is in competition with other governing bodies in other states or nations.
6. To communicate with legal counsel and to discuss any legal ramifications and/or legal options for pending litigation or possible legal controversies not yet being litigated. The presence of legal counsel at executive session is not sufficient to satisfy this requirement.
7. To communicate with a representative of the District's risk management or insurance provider to discuss a pending claim or prevention of a possible claim to be filed. The presence of a risk management or insurance provider at executive session is not sufficient to satisfy this requirement.

Except for making a determination to place a certified professional employee on probation, no final action may be held for the purpose of taking any final action or making any final decisions.

If only an executive session will be held, a 24 hour meeting and agenda notice shall include the date, time, place, items to be discussed, and the specific provision of law authorizing the executive session. The Board will not change the subject within the executive session to any not identified within the motion to enter executive session or to any topic for which an executive session is not provided.

The clerk, administration, or patrons of the School may also suggest inclusions on the agenda. Such suggestions must be received by the Executive Director at least ____ days before the Board meeting, unless of immediate importance. Individuals who wish to address the Board must also notify the Executive Director, in writing, of the request. The request must include the reason for the appearance. Citizens wishing to make brief comments about school programs or procedures or items on the agenda need not request placement on the agenda, and must follow the procedure established for public input at Board meetings.

Regular Meeting Agendas

A 48 hour agenda notice shall be required in advance of each regular meeting. Notices and agendas must be posted in a prominent place at the principal office of the School or, if no such office exists, at the building where the meeting is to be held. Additionally, if time permits, the School shall post notice of the negotiation sessions within 24 hours at the same physical locations the School uses for posting its regular meetings.

Any item which appears on the consent agenda may be removed by a Member of the Board. It is strongly suggested that any Board Member who wishes to remove an item from the consent agenda give advance notice in a timely manner to the Board Chair and Executive Director. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.

When issues are discussed that may require a detailed record, the Board may direct the clerk to record the discussion verbatim.

Unofficial minutes shall be delivered to Board Members in advance of the next regularly scheduled meeting of the Board. Minutes need not be read publicly, provided that Members have had an opportunity to review them before adoption. A file of permanent minutes of Board meetings shall be maintained in the office of the clerk, to be made available within a reasonable period of time after a meeting for inspection upon the request.

Open Meeting Law Compliance and Cure

Formation of Public Policy at Open Meetings

The Charter School recognizes that the formation of public policy is public business and shall not be conducted in secret. The Charter School further recognizes the goal of the Open Meeting Law is compliance, and that in order to achieve compliance, the Charter School must have the ability to correct any errors.

Violations

If an action, or any deliberation or decision-making that leads to an action, occurs at any meeting which fails to comply with the guidelines set forth in Idaho's Open Meeting laws, such action shall be null and void.

The Board may self-recognize an open meeting violation or receive written notice to the Clerk of the Board of an alleged violation. A civil complaint filed and served upon the Board may serve as written notice.

An individual Board member who conducts or participates in a meeting which violates the Open Meeting Law is subject to a civil penalty of up to \$250. A knowing violation is subject to a civil penalty of up to \$1,500. A second knowing violation within a 12 time period is subject to a civil penalty of up to \$2,500.

Cure Provision

A violation may be cured by the Board upon:

1. The Board's self-recognition of a violation; or
2. Receipt by the Clerk of a written notice of an alleged violation. A civil complaint filed and served upon the Board may be substituted for other forms of written notice. Upon notice of an alleged open meeting violation, the Board shall have 14 days to respond publicly and either acknowledge the open meeting violation and state an intent to cure the violation or state that Board has determined that no violation has occurred and that no cure is necessary. Failure to respond shall be treated as a denial of any violation.

Following the Board's acknowledgment of a violation, the Board shall have 14 days to cure the violation by declaring as void all actions taken at or resulting from the meeting in violation of the Open Meeting Law.

Board Meeting News Coverage

One of the paramount responsibilities of the Board of Directors is to keep the public informed of its actions. Consequently, local news media representatives shall be welcome and encouraged to attend all regular and special meetings of the Board.

Broadcasting and Taping Of Board Meetings

Photographic and electronic audio and video broadcasting and recording devices may be used at regular and special Board meetings legally open to the public according to the following guidelines:

1. Photographs, broadcasting, and recording of meetings are permitted only when the Charter School and the person(s) seeking to use cameras or broadcasting and/or recording devices have been informed that cameras or broadcasting and/or recording devices will be used. The Charter School requests that notification occur at least 24 hours prior to the meeting in order to give the Charter School time to accommodate the request or be prepared to make an official Charter School copy of the video or audio tape. This time period could be subject to Board waiver, provided good cause is shown. All equipment setup shall take place prior to the commencement of the meeting, and all equipment removal will take place either during a recess or after conclusion of the meeting.
2. Persons operating cameras or broadcasting and/or recording devices must do so with a minimum of disruption to those present at the meeting. Specifically, the view between Directors and the audience must not be obstructed, interviews must not be conducted during the meeting, and no commentary is to be given in a manner that distracts the Directors or the audience.

The Board, or its representatives, will make the necessary arrangements to have audio and video recordings of regular meetings and any special meetings that it deems appropriate. Audio and video recordings are not to be considered part of the minutes of any meeting.

Code of Ethics for School Board Members

1. Attend all regularly scheduled Board meetings insofar as possible, having read my packet ensuring that I am informed about the issues to be considered at the meetings;
2. Recognize that the Board must comply with the Open Meeting Law and only has authority to make decisions at official Board meetings;
3. Make all decisions based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals or special interest groups;

8. Recognize that the Executive Director is the Board’s advisor and should be present at all meetings, except when the Board is considering the Executive Director’s evaluation, contract, or salary;

11. Respect the right of the public to be informed about Charter School decisions and school operations;

15. Refuse to use my Board position for personal or family gain or prestige. I will announce any conflicts of interest before Board action is taken;
16. Remember always that my first and greatest concern must be the educational welfare of the students attending the Charter School; and

Director Spouse Employment

It is generally unlawful for a Director to have their spouse employed by the Charter School in any paying position whereby such employment would require the payment or delivery of any Charter School funds, money, or property to their spouse.

However, Directors at Charter Schools that annually meet the following criteria may have a spouse employed by the Charter School under the following conditions:

1. The school district in which the Charter School is physically located had a fall enrollment of 1,200 or fewer students in the prior school year;
2. The spouse will be employed in a nonadministrative position;
3. The position has been listed as open for application on the Charter School's website or in a local newspaper for at least 60 days unless the opening occurred during the school year, in which case the position must have been listed as open for at least 15 days;
4. No applications were received that met the minimum certification, endorsement, education, or experience requirements of the position except the Director's spouse; and
5. The Director abstained from voting in the employment of the spouse and was absent from the meeting while such employment was being considered and determined.

The above five criteria must be met in each subsequent school year in which the Director's spouse is employed. Additionally, the following provisions are applicable in such situations:

1. Throughout the course of the spouse's employment, the Director shall abstain from voting in any decision that affects the compensation, benefits, individual performance evaluation, or disciplinary action relating to the spouse and shall be absent from the meeting while such issues are being considered. Such limitation shall include a prohibition on voting and attendance with regard to the following subject matters:
 - A. Negotiations regarding compensation and benefits;
 - B. Discussion and negotiation with District benefits providers; and
 - C. Any matters relating to the spouse and letters of reprimand, direction, probation, or termination.
2. Regardless of spouse employment status, the Director may participate in deliberations and vote upon the District's annual fiscal budget and annual audit report;

3. Should the spouse of a Director be hired as a certificated teacher, notwithstanding any other policy or law to the contrary, such spouse may only be employed under a Category 1 annual contract pursuant to section 33-514A, Idaho Code, and so long as the status of Director and spouse employee remains, shall not progress to subsequent contract stages with the District.

Inservice Conference for Directors

Because the Board, as the policy-making authority of the school system, is responsible to the public for the success of all educational services offered by the school system, and because that success is directly dependent upon each Board Member's comprehension of system wide operations and the Member's ability to participate meaningfully in the decision-making process, the Board will provide, as soon as practicable, for the orientation of new Members. The purpose of the orientation is to help them become acquainted with their duties and responsibilities as Members of the Board.

In keeping with the need for continued boardsmanship development, the Board encourages the participation of its Members at appropriate Board conferences, workshops, conventions, and Charter School-sponsored inservice training sessions. Board Development Opportunities

The Charter School realizes that proper board training is important. Decisions about school policy, personnel, finance, curriculum, and communications can be overwhelming and may require training. Training Board Members to be effective leaders and decision makers is an educational investment that benefits the entire community. The Board believes that with proper training, it can create a positive and productive atmosphere for decision-making. There needs to be strong leadership among Board Members demonstrated by teamwork, effective communication, problem-solving skills, and positive relationships between the Board and the Executive Director.

The Board places a high priority on the importance of a planned and continuing program of inservice education for its Members. The central purpose of the program is to enhance the quality and effectiveness of public school governance in our community. The Board shall plan specific inservice activities designed to assist Board Members in their efforts to improve their skills as members of the policy-making body; to expand their knowledge about trends, issues, and new ideas affecting the continued welfare of our local schools; and to deepen their insights into the nature of leadership in a modern democratic society.

Funds may be budgeted annually to support the program. Qualified training in continuous improvement planning, finance, superintendent evaluation, ethics, and governance may be reimbursable by the State through the process outlined in Idaho Board of Education rules. Individual Board Members shall be reimbursed for out-of-pocket expenses, as prescribed in Policy 1420 Director Expenses, incurred through participation in approved activities.

The Board, as a whole, shall retain the authority to approve or disapprove the participation of Members in planned activities. The public shall be kept informed through the news media about the Board's continuing inservice education and about the programs anticipated for short and long-range benefits to our schools.

The Board regards the following as examples of activities and services appropriate for implementing this policy:

1. Participation in school board conferences, workshops, and conventions held by the State and national school boards associations;
2. Charter School-sponsored training sessions for Board Members; and
3. Subscriptions to publications addressed to the concerns of Board Members.

In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidelines:

1. A calendar of board conferences, conventions, and workshops shall be maintained by the Executive Director. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the Charter School.
2. Funds for participation at such meetings will be budgeted on an annual basis. When funds are limited, the Board will designate which of its Members would be the most appropriate to participate at a given meeting.
3. When a conference, convention, or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations, and materials acquired at the meeting.

Board Members are encouraged to attend workshops presented by the State and national school boards associations.

The Executive Director or his or her designee will maintain records of each Board Member's training accomplishments and will notify any Board Member of the need for that Board Member to accomplish any additional training.
