

THE DRAGON BEAT

The Heart of FBCCS November-December

Happy Holidays from all of us here at FBCCS!

We had a wonderful event which was open to families and the community called Winter Wonderfest. This is the first year that this seasonal festival took place. It was put on by the electives department in order to replace the Harvest Bazaar which was a part of the Economics class in previous years.

We thoroughly enjoyed this festival as there was a lovely choir performance accompanying a delicious 'Soup n Sip' put on by our culinary students as well as a Gingerbread contest. Aspects of the old Harvest Bazaar lived on as art students were given an opportunity to display and sell their pieces. Additionally, we hosted a winter clothing drive which was super successful because of the many generous donations. It was so fun seeing students get fitted with warm gear for the winter!

Thank you to all who came and helped make this a successful, fun and safe event.

A Message From the Safety Committee:

Please be careful in the parking lot and on sidewalks as they can get very slippery in the winter months. Also, please remember to wipe your feet before entering the buildings to help prevent wet and dirty floors from snow melt.

The Holiday Season is all about Connecting with your Family and with your Community. We encourage you to set aside some time over winter break to look at the activities listed below and pick a few to do with your family! When students return from break on January 6th, they will be able to share their experiences with their advo classes.

Watch a historical documentary.

Go downtown and do one kind deed for a stranger.

Have a cook-off or bake-off.

Research and discuss study strategies to boost your child's academic success going into trimester 2.

Start a journal with your child.

Get outside! Sled, Ski, Ice Skate (at the new ice rink!)

Visit a town nearby which neither of you have ever been to before.

Volunteer for a local charity/organization.

Monster Mash Dash Summary & Prizes: Alfred Bergen ran the most laps (18) at the Monster Mash Dash. Other students have recently received their prizes including smart watches, a \$250 gift certificate to Bonner County Bicycles, scooters, cameras, headphones and more! Man, I would run way more often as an adult if I received cool prizes. (Yeah, health is a cool prize too.)
